

**~IMPORTANT NOTICE TO ALL PARENTS~  
ORANGE COUNTY SCHOOLS INTERSCHOLASTIC SPORTS PROGRAMS**

**THIS FORM MUST BE SIGNED BY ALL PARENTS OR GUARDIANS FOR ALL STUDENTS WHO PARTICIPATE IN OFF-SEASON SPORTS CONDITIONING AND WEIGHTLIFTING PROGRAMS ON PUBLIC SCHOOL GROUNDS.**

Orange County Public Schools does not provide insurance coverage for students who are voluntarily participating in Off-Season Sports Conditioning programs. Off-Season Sports Conditioning Program attendance is not a requirement for OCPS student athletes. Student participation in Off-Season Conditioning Programs, at the school, is totally voluntary and any student may participate. Orange County Public Schools will allow students to use the facilities for off-season weightlifting and conditioning as a public service. **OCPS is not responsible for accidental injuries that may occur on public school grounds.** The Orange County School District is not responsible for payment of medical bills in the event that a student is injured during Off-Season Conditioning programs or while on public school grounds.

However, parents can purchase a low cost accident insurance policy to help cover some of the medical bills in the event of an injury sustained during off-season conditioning exercise programs at school. An accident insurance policy is available from *School Insurance of Florida*. **Insurance applications are available online at [www.schoolinsuranceofflorida.com](http://www.schoolinsuranceofflorida.com).** This policy has limitations and may not pay 100% of all medical expenses that may be incurred if a student is injured. The policy has provisions and exclusions. Please read a **Summary of Insurance** for more complete policy coverage, provisions and exclusions.
