BOONE HIGH SCHOOL ATHLETIC ASSOCIATION

The purpose of the Boone High School Athletic Association (BHSAA) formerly known as the Boone Sports Legacy Board, is solely for educational, athletic and charitable purposes. The Association receives, holds, invests and administers property and makes expenditures for the benefit of the athletic facilities at William R. Boone High School.

BHSAA is also actively involved in providing services, goods and financial support to the faculty, staff and students.

MISSION/VISION

Our vision is to be an organization that encourages our community to commit its resources to build on the William R. Boone legacy as a nationally respected high school sports program. To do this we will provide leadership, encourage support and champion the Brave Spirit.
